

Our Playground is Under Construction!

Dear Parents,

Our playground is under construction. We are so excited! Our outside doors will no longer be accessible to enter and exit through. Until construction is finished here is the following drop off and pick up instructions.

All Day Kindergarten:

Drop Off: Please enter through the front office doors and walk to class.

Pick Up: We will use Mrs. Garcia's back door to exit. We will line up on the sidewalk leading to our classroom. In case of bad weather, please meet us at the back door to pick up your child.
