## Teaching Experience

This will be my second year teaching. Right now I am an intern in second grade at Westside Elementary in Springville. I am so excited to start at Santaquin Elementary in second grade as well. I know that I will learn many new things and have new experiences that will help me grow as a teacher.

## Hobbies/Interests

I love to be outdoors and love hiking, camping, and four wheeling. Our family has a cabin that we love to spend time at. I love to read! I enjoy dancing; as well as, making crafts and being creative. I LOVE playing games; I'm up for a game night any day. I also have a growing interest in photography.
