

School Community Council
Santaquin Elementary
October 12, 2017

Celebrations: School carnival was a success.

Nebo Election Bond Meeting:

Please “like” and rate Nebo district and Santaquin Elementary on social media (facebook, twitter, instagram). We watched a two minute video on the Nebo home page and should encourage others to do so. Take survey afterwards on what to do with the extra \$10 million after the schools are built. Get out and vote! Make sure you are registered to vote, prepare others for Nov 2018 election.

Trust lands video: oil, gas, mining, ranching, and other investments contribute to trust lands investment of funds. Monitored to make sure it's used wisely. School community councils ensure academic needs are met financially. Make school improvement plan, determine greatest needs, measure the progress.

Goal #1 - Explained benchmark test, took out #2 action plan. Find what current level of reading is to know if we need to change goal. No longer using raz kids, now using myons. User name and password is lunch number. Used in classroom but can also be used at home. Myons has more modern books than raz kids.
