Did you know?

Dec 21

Kindergarten

Polar Express

Parents are welcome to
come at 11:15 for AM and
2:50 for PM

Dec 22

Kindergarten

Christmas

Parents are welcome to
come at 9:30 for AM and
1:00 for PM

Dec 23-Jan 1

Christmas Break

Jan 3

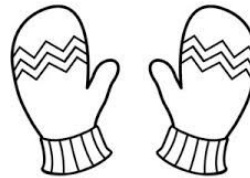

School Resumes

With the temperatures cooling off, **we encourage students to bring their coats, gloves, and boots to school.** Please label each item with the student's name. The students enjoy the fresh air during recess, and we would like them to stay as warm as possible.

We are using an interactive reading development program in our grades K-2. Most of our students get on Waterford each day in class.

Studies show that students who use Waterford everyday become better readers. Each of our K-2 students have access to use Waterford at home.

News from the PTA

Science fair packets will be going out next month for 4th, 5th and 6th graders. Be thinking of projects you would like to do!
(6th grade is mandatory)

Waterford Home Access

Over the Christmas break have your student get on Waterford. An email with access information from Waterford will be sent home in a few days! Look for an email from:
