

## Santaquin Elementary School Parent Pick up and Drop Off

Dear Parents,

I hope everyone has had a wonderful holiday break!!!!

I wanted to get some information out concerning student drop off and pick up here at Santaquin Elementary. (Attached is a map for reference)

### **Bus Zone:**

As many of you have noticed we have a new road that runs directly behind the school North and South, as well as a road that runs to the school east and west. During the school day these roads will be for Bus use only. Please do not use these roads to pick up and drop off students. The west side of the parking lot will be blocked off for Buses Only.

### **Parent Drop Off and Pick Up:**

Please enter the student drop off and pick up area from the North Side in front of the school. As you enter please pay attention to the lane you are in. If you are ready to drop off please use the lane closest to the school and marked Pick Up/ Drop Off. Please do not park in the Pick Up/Drop Off Lane.

Please use the outside lane as the Pull Through Lane after you Pick up/ Drop Off or if you need to Park.

I know this can be confusing and I apologize. Please let me know if you have any questions. Have a great New Year and I will see you all Thursday Morning.

### **Map:**

Please no student pickup or drop off beyond the yellow line on the west side of the parking lot. Parents, please enter the student drop off and pick up area from the north entrance. The blue arrows on the map indicate the lane for student drop off and pick up. The green arrow indicates the pull through lane. Please do not block the pull through lane while dropping off or picking up students.

As you leave the parking lot to help the flow of traffic please turn right and follow the road past the park. This will help the flow of traffic.
