

Welcome to myON!

Students have access to a personalized literacy environment designed to help them learn to read and love to read.

Getting started tips:

- › Choose from thousands of digital books
- › Available 24/7, year-round for independent reading and teacher assignments
- › Read at home, at school, in the library, community centers, even on a bus or in a car
- › Read online on any web-enabled device, including tablets, notebooks and desktop computers
- › Download up to 20 books at a time to read offline
- › Free mobile apps for iPads, Android devices, Chromebooks and Kindle Fire HD
- › More information at <http://prodev.myon.com/at-home>

Reading with myON is as easy as 1, 2, 3!

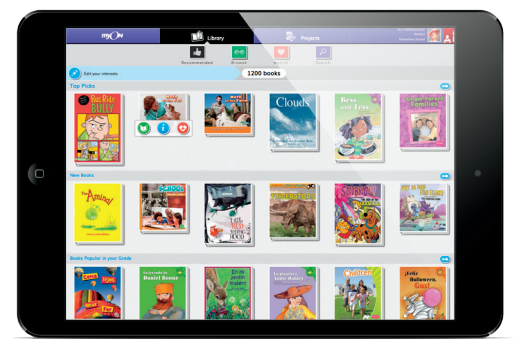

1. Log In

Follow the instructions provided by your school, district or community program to log into myON. New users will be prompted to take an interest inventory and Lexile(R) placement assessment to get started. All students will access myON from their own age-appropriate dashboards.

2. Select Books

From their dashboards, students can select **recommended** books that match their interests and reading level. They can also browse and search the entire collection, and tag books to add to their own lists for future reading.

3. Start Reading!

The book reader allows students to select optional reading supports including audio, text highlighting and an embedded dictionary for any book they choose to read.
